Yuk Yin School

Report on the Utilization of One-off Grant for Promotion of Self-directed Language Learning (English Language) (2025/2026)

The Grant has been spent on the following areas to promote self-directed English language learning and/or enrich the English learning environment.
The Grant has been partially spent in 2024/2025, with an unspent balance of HK$182,636.
To date, our school has spent the Grant as follows:

Areas	Timetable	Objectives	Target	Actual expenses (HK$)	Methods of Evaluation	Activity results
1. Procuring and/or subscribing to learning resources	The whole year	To foster students' regular English reading habits through the use of e-readers, thereby strengthening their foundation in English	P.1-6	$11,760	Usage report of Raz-kids	Compared to last year, more students have been gradually developing the habit of reading in English.
	The whole year	To develop students' self-directed language-learning skills through the use of an AI learning platform during its first year of implementation, with the aim of improving their English-speaking skills	P.1-6	$20,000	Usage report of the AI system	Students have experienced having conversations with the 'AI Buddy'. They think it is very interesting and innovative.
	The whole year	Purchased reading pens and for each student to borrow, in order to support English language acquisition by expanding vocabulary and reinforcing pronunciation	P.1-6	$66,733	Questionnaires	Teachers and students agree that reading pens can help acquire new words and improve the vocabulary.

2. Purchasing services related to learning and teaching	6 July 2026	Organized an English drama activity (Puppet show) to enhance the language learning atmosphere	P.1-6	$16,000	Teachers' observation	The school invited an English drama company (Treasure Crest Theatre) to perform 2 English puppet shows. *The Butterfly Ball* was a show with a message to look after each other and not to be mean. The students were excited and engaged.
3. Others (Please specify): went to the theatre to watch an English movie	26 June 2026	Provided an opportunity for students to experience English in an authentic context through an English film with carefully selected, an age-appropriate theme, increasing interest in English and fostering an English-rich atmosphere	P.4-6	$5280 + $3600 (travel expenses)	Teachers' observation	To enrich students' English learning experience, students were arranged to watch the English movie 'Toy Story 5' in the Broadway Theatre (Yuen Long) to improve their listening comprehension and language sense. They were engaged and interested.
4. Others (Please specify): magnets	24 June & 30 June 2026	Made learning materials for students to finish the self-learning task on English Fun Day	P.1-6	$56	-Teachers' observation -Questionnaires	English Day provided students with opportunities to communicate in English, and students were engaged in completing the English tasks at the booths.
Total expenditure				HK$123,429		

Balance b/f to 2026/2027: $59,207
